## SOFTWARE SERVICES, LICENSE AND HOSTING AGREEMENT

This Agreement ("Agreement") is entered between you ("Customer" or "you") and Miva, Inc., a California corporation ("Miva"). This Agreement sets forth the terms and conditions of your use of Miva's e-commerce shopping cart software ("Miva Merchant Software" or "Software") and/or hosting services ("Hosting" or "Hosting Services") (collectively "Services"), along with any amendments thereto and any operating rules or policies of Miva. By your use of the Software and/or Hosting Services, you agree that you are: (1) eighteen years of age or older, (2) have the capacity and authority to enter into this Agreement, (3) have read and understand this Agreement, and agree to be bound by its terms. This Agreement shall become effective on the date (the "Effective Date") that your first payment for said Software and/or Hosting Services is received and accepted by Miva, or upon your initiating use of the Software and/or Hosting Services, whichever occurs first.

NOW, THEREFORE, in consideration of the promises and the mutual covenants and agreements contained herein, Customer and Miva hereby agree as follows:

### 1. SOFTWARE AND HOSTING SERVICES

A. Hosting Services. Miva shall provide access to the Miva Merchant Software and make it available for Customer's End Users to access.

B. Service Levels. For certain plans, Miva shall provide Hosting in substantial compliance with the Hosting Service Level Warranty set forth below.

C. Service Level Warranty (applies to Professional and Enterprise plans only). Miva guarantees that its Hosting network will be available 99.9% of the time in any given calendar month. The foregoing warranty shall not apply to any performance outages:

- i. That are scheduled by Miva for the purpose of maintaining or updating Customer's Website or the Miva Merchant Software;
- ii. That resulted from any actions or omissions of Customer or any third parties;
- iii. That resulted from Customer's equipment and/or third party equipment;
- iv. That resulted from software related issues other than a bug in the Miva Merchant Software; or
- v. To the extent caused by factors outside of Miva's commercially reasonable control.

Upon experiencing network downtime above and beyond the 99.9% availability in any calendar month, Miva will issue a credit, to Customer's Account, equal to 5% of Customer's monthly Subscription Fee for Miva Merchant Software and/or Hosting Services, for each 30 minutes of downtime (up to and not to exceed 100% of Customer's monthly Subscription Fee for the Services). Any such credit for network downtime will only apply to Customer's Subscription Fee allocable to Customer's Website directly affected by the downtime, for the month in which the downtime occurred. Network downtime exists when a Customer is unable to transmit and receive data directly resulting from such inability to transmit and receive data and Miva records such failure in its service repair system.

Network downtime is measured from the time service notification is received by Miva, from Customer, to the time the server is once again able to transmit and receive data. Service notification may be made to Miva by submitting a ticket to Miva's Technical Assistance Center ("TAC"), through Miva's Website, the Miva Merchant Software Administration interface of Customer's Website (the "Admin."), or by e-mailing [support@miva.com](mailto:support@miva.com); or, by calling Miva's TAC 24/7 telephone line at (800) 608-6482. Notification is deemed received by Miva as of the time stamp on the automatic reply generated for all ticket submissions, or in the case of a telephone call to our TAC line, at the time in which your call enters our Support queue (as recorded by our telephone system). If Customer fails to comply with this notice requirement, Customer forfeits its right to receive a service credit.

### 2. FEES

A. Miva's Fees. You agree to pay your Subscription Fees, and any other fees you incur in connection with your use of the Services, according to the pricing and terms listed in any invoice you receive from Miva. Subscription Fees will be invoiced in advance of Services rendered, and all other fees will be invoiced when incurred or in aggregate on a monthly basis. Invoices are due upon receipt unless the invoice states otherwise, and invoices are deemed received when Miva emails the invoice to your Point of Contact. Miva reserves the right to adjust your Subscription billing date, at any time, by issuing a prorated invoice for the Services. Customer acknowledges that all fees charged are based on the current version of the Services, and are in no way contingent on Miva's delivery of any future features or functionality.

B. Pricing Changes. Miva reserves the right to adjust its pricing for the Services, after notifying you in writing at least thirty (30) days in advance of your next Subscription renewal date.

C. Payment. Upon subscribing to the Services, you agree to provide Miva with a credit or debit card, or set up electronic ACH (Automated Clearing House) (“Designated Payment Method”), which you authorize Miva to automatically charge for all invoiced amounts when due. You agree to notify us immediately of any changes to your Designated Payment Method. If a payment is returned or rejected by Miva’s bank, or if Miva incurs additional costs related to Customer’s payment, for any reason, then (i) Customer shall pay a service fee of \$40 and reimburse Miva for all such fees and costs incurred by Miva, and (ii) Customer shall be in default of this Agreement. If Customer’s Account is not paid in full by the fifteenth day after an invoice is submitted to Customer, Miva reserves the right to interrupt or terminate Customer’s access to and use of the Services and to any other Miva Products and/or Services. Miva is not responsible for any losses or damages resulting from any interruption or termination of the Services due to outdated or incorrect payment information. Any such interruption or termination does not relieve Customer from the obligation to pay all fees due to Miva, including, without limitation, Subscription Fees due upon renewal. Accounts and all amounts in default are subject to a late payment charge of 1.5% per month, or the maximum amount permitted by law, whichever is less, until fully paid. If Customer defaults, Customer agrees to pay Miva its reasonable expenses, including attorney and collection agency fees, incurred in enforcing its rights under this Agreement.

D. Taxes. All fees charged by Miva are exclusive of all taxes and similar fees now in force or enacted in the future imposed on the delivery of the Services, for which Customer will be solely responsible and hereby agrees to pay in full (excluding any taxes based on Miva’s net income). If applicable law requires Miva to pay such taxes directly, Customer will, upon receipt of Miva’s invoice, promptly reimburse Miva for any such taxes paid by Miva.

E. Refunds. All payments to Miva are non-cancelable and non-refundable, including but not limited to any payments for Subscription Fees, setup fees, SSL Certificates, or unused Services.

### 3. NO SUBLICENSE

Customer may not sublicense or resell Miva Merchant Software or Hosting to any third parties without the prior written permission of Miva. As an example, Customer may not provide website Hosting to any third party without Miva’s prior written permission. Any attempts to do so will constitute a material breach and entitle Miva to terminate this Agreement, in accordance with section 5(B) below.

### 4. INTELLECTUAL PROPERTY LICENSES

Customer hereby grants Miva a non-exclusive right and license to use Customer’s name and such of Customer’s trade names, trademarks, and service marks (collectively, “Customer’s Marks”) as are listed on Customer’s Content or otherwise provided to Miva in connection with this Agreement. The license shall permit Miva to use Customer’s Marks (i) on Miva’s Website, (ii) in printed and online advertising, publicity, directories, newsletters, and updates describing Miva’s services, and, (iii) in applications reasonably necessary and ancillary to the foregoing. Customer may use Miva’s trade name, trademarks, and service marks (collectively, “Miva’s Marks”) in advertising and publicity in conjunction with the offering of Customer’s Content via Miva; provided, however, that Customer shall submit a copy of its proposed use to Miva for its prior written approval; and provided further that under no circumstances shall such use imply that Miva endorses, sponsors, certifies, approves or is responsible for Customer’s Content. Notwithstanding the foregoing, Customer need not obtain Miva’s prior written approval where use of Miva’s Marks is limited to inclusion in a list of systems via which Customer’s Content is available. Neither license granted in this section 4 shall constitute a transfer of any ownership interest in either Customer’s or Miva’s Marks.

### 5. TERM OF AGREEMENT

A. Term. This Agreement shall continue as long as you have an active Subscription to the Services. You have agreed to prepay for the Services for a specified period of time (your “Subscription”) and your Subscription will automatically renew for an equivalent period of time (excluding any partial calendar months) until cancelled or terminated as permitted hereunder.

B. Subscription Cancellation. Either party may cancel the Subscription by providing the other with written notice at least thirty (30) days prior to the end of your current Subscription term.

C. Termination For Breach. Either Miva or Customer shall have the right to terminate this Agreement upon prior written notice if the other party is in material breach of any term of this Agreement, including without limitation the payment of monies, and the breaching party fails to remedy such breach within thirty (30) days.

D. Effects of Termination. Regardless of the reason for termination of this Agreement, and regardless of which party initiates termination, Miva will not be obligated to retain Customer Data for longer than thirty (30) days following termination.

### 6. MIVA’S ACCEPTABLE USE POLICY

A. Acceptable Use Policy. Miva maintains, on its website, Miva’s then-current Acceptable Use Policy (“AUP”), attached to this agreement. Customer agrees to abide by the AUP. Miva may modify its AUP at any time, and shall post the then-current AUP on Miva’s Website, which will be effective upon posting. Customer will be notified by Miva via e-mail that the AUP has changed. Miva strongly recommends that Customer carefully review the new AUP and its terms.

B. End Users to Comply with AUP. Customer acknowledges that Miva may terminate an End User's access to Customer's Website for non-compliance with Miva's AUP. Miva may terminate such End User's access to Customer's Content even if the End User has not violated Customer's own terms and conditions of use of Customer's Website. Miva acknowledges that Customer may terminate an End User's access to Customer's Content for noncompliance with Customer's terms and conditions. Decisions as to whether a violation of the AUP has occurred shall be made by Miva in its sole and absolute discretion.

## 7. MIVA'S CONTENT

Upon payment of any fees charged for the development of Miva's Content, Miva hereby provides Customer with a non-exclusive, royalty-free, irrevocable, non-supported license to use Miva's Content as part of Customer's Website. Customer agrees to maintain a text hyperlink to "<http://www.miva.com>" at the footer/bottom of Customer's Website. The link must be standard html, contain no JavaScript, and be approved by Miva.

## 8. CUSTOMER'S CONTENT

A. Protection of Content. Customer acknowledges and agrees that Customer is solely responsible for ensuring the integrity of Customer's Content. Although Miva provides data backup services, Customer is advised that Miva is not responsible for any damages resulting from the loss of Customer's Content, regardless of the reason for such loss. Customer is solely responsible for backing-up/archiving Customer's Content.

B. Ownership of Content. Customer acknowledges and agrees that (i) unless expressly stated elsewhere, Miva has no proprietary, financial, or other interest in Customer's Content; (ii) Miva does not, by virtue of offering or hosting Customer's Content, edit, distribute, market, sublicense, publish, or otherwise provide Customer's Content to End Users; and (iii) Customer is solely responsible for the information, data, graphics, text, quality, performance, and all other aspects of its Content. Customer warrants that it owns or has the right to use and offer the Content in connection with Customer's Marks in the manner in which such Content is offered and will be offered by Customer during the term of this Agreement.

## 9. SECURITY

Customer acknowledges that the Internet is not a secure or completely reliable system, and that the purpose of Hosting is to allow End Users easy access to Customer's Content consistent with current technology. Miva will take such precautions Miva deems reasonable in its sole discretion to secure Customer's Website from attack, but Miva makes no warranty, whether express or implied, that there will be no outages or interruptions of service, or that Customer's Content will be secure against attack of any form by End Users or other third parties. Customer is urged to take reasonable steps to protect the security of its Website from attack, including but not limited to installing updated Miva Merchant Software on Customer's Website, as soon as it becomes available. When an update to the Software is released, Customer will be notified via the Customer's Website Admin. and e-mail notification. Customer is expected to install any Software updates within 90 days of release, or within 30 days of release if the Software update has been identified as a security-related update. A Website running outdated Software will be subject to a monthly Non-Compliance Fee ("NCF"), beginning 30 days following the release of a security-related update, or 90 days following release of a standard Software update, until its Software is brought current. For details, see Miva's [Software Maintenance and End of Life Policy](#).

## 10. PCI GUIDELINES

Miva Merchant Software is capable of being PCI-DSS compliant under optimal security settings. However, if Customer chooses to view credit card information and/or involves a less secure set of security settings, Customer assumes all liability for their actions and the inherent risk associated with viewing credit card information.

If Customer chooses to view credit card information, Customer is certifying that Customer understands and is following all PCI guidelines for viewing credit card information. The guidelines can be found at Visa's website: [PCI Overview](#). If Customer does not follow all of the PCI guidelines when viewing credit card information, Customer will be in breach of this Agreement with Miva and may also be in breach of agreements with credit card companies.

Customer hereby agrees to comply with the PCI DSS, assumes all liability applicable to PCI DSS, and further agrees to use a strong security protocol (e.g. SSL) to safeguard sensitive cardholder data over networks.

At its sole discretion, Miva reserves the right to change the security settings of Customer at any time with or without warning.

## 11. PROHIBITED PRACTICES

Miva shall have no duty or obligation to monitor Customer's Content or any other content provided or distributed by others, and Miva agrees not to edit or otherwise exercise any control over Customer's Content. Nevertheless, Miva may, in its sole discretion, at any time, without notice or liability to Customer, remove from public view, disconnect, or terminate the Hosting of any of Customer's Content or other content that Miva deems in its sole discretion to be offensive or illegal, for any reason, including, without limitation, the following:

- i. Content in violation of the laws of the state where the server resides; illegal or sexually explicit content or activities, or any content that allegedly violates the law, rules or regulations of any country or subdivision thereof.

- ii. Content which constitutes harassment of users, including, but not limited to, by means of Customer's billing practices.
- iii. Claims made by third parties against Miva that Customer or any of its End Users has engaged in one or more of the above practices.
- iv. Customer's noncompliance with or material breach of any of the terms and conditions of the AUP or this Agreement.

## 12. WARRANTIES OF BOTH PARTIES

Each party warrants and represents to the other party that it has the complete right to enter into and perform its responsibilities under this Agreement.

## 13. DISCLAIMER OF ALL OTHER WARRANTIES BY MIVA

EXCEPT AS OTHERWISE SET FORTH IN SECTIONS 1(C) AND 12 ABOVE, MIVA MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE. THE MIVA MERCHANT SOFTWARE AND HOSTING SERVICES ARE PROVIDED BY MIVA ON AN "AS IS" AND "AS AVAILABLE" BASIS, AND MIVA NEITHER ASSUMES NOR AUTHORIZES ANY OTHER PERSON TO ASSUME FOR MIVA ANY OTHER LIABILITY IN CONNECTION WITH SAID SOFTWARE OR HOSTING SERVICES PROVIDED UNDER THIS AGREEMENT.

## 14. LIMITATION OF MIVA'S LIABILITY

MIVA ASSUMES NO RESPONSIBILITY REGARDING CUSTOMER'S OR END USER'S USE OF THE MIVA MERCHANT SOFTWARE OR HOSTING SERVICES AND SHALL NOT BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, OR SPECIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS OF USE, BUSINESS INTERRUPTION, OR LOSS OF PROFITS, OR INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES, EVEN IF MIVA IS AWARE OF (OR HAS BEEN INFORMED BY CUSTOMER OF) THE POSSIBILITY THEREOF. MIVA SHALL IN NO EVENT BE LIABLE FOR MORE THAN THE TOTAL FEES ACTUALLY RECEIVED BY MIVA FROM CUSTOMER, FOR THE SERVICES, DURING ANY 12-MONTH PERIOD.

## 15. NO ASSIGNMENT BY CUSTOMER

Customer shall not assign this Agreement without the prior written consent of Miva, which Miva may refuse in its sole and absolute discretion. Customer's designated Point of Contact shall have full authority to enter into agreements and make binding decisions on behalf of Customer. Customer agrees that Miva may rely on representations made by Customer's designated Point of Contact, and is under no obligation to accept instructions from anyone other than Customer's designated Point of Contact. Customer may change its designated Point of Contact, at any time, by giving written notice to Miva in accordance with the notice provisions of this Agreement. Miva. Either Miva or Customer may designate, by Notice to the other, substitute addresses or addressees for Notices, and thereafter, Notices are to be directed to those substitute addresses or addressees.

## 18. NOTICES OF COPYRIGHT INFRINGEMENT

A. Copyright Infringement Claims. It is Miva's policy to promptly investigate notices of alleged copyright infringement ("Copyright Infringement Notification" or "Claim"), regarding materials hosted on our system or network, that comply with the requirements set forth in the Digital Millennium Copyright Act ("DMCA"). C. Repeat Infringers. A Customer whose account has been the subject of three separate Copyright Infringement Claims to Miva, which resulted in the removal of materials from the Customer's Account or suspension of Customer's Website, will be deemed a "repeat infringer" and may be subject to termination. However, in the event that the Customer's materials were authorized to be restored following the Customer's filing of a counter notification in compliance with DMCA requirements, Miva will consider the underlying Copyright Infringement Claim as withdrawn, for purposes of this repeat infringer policy. Notwithstanding, Miva reserves the right to terminate or limit access to a Customer's Website that has been the subject of fewer than three Copyright Infringement Claims to Miva, when deemed appropriate by Miva, in its sole discretion.

D. Processing Fees. To cover the increasing cost of processing Copyright Infringement Claims, Miva reserves the right to charge a fee of \$150 for each instance of Copyright Infringement Notification received from a legitimate copyright holder.

#### IV. MIVA'S E-MAIL POLICY

Miva has a zero tolerance spam (i.e., unsolicited commercial e-mail) policy. Miva does not permit spam being sent using Miva mail servers, or being sent via third parties advertising content hosted by Miva servers.

All e-mail sent via Miva servers, and/or advertising sites hosted on Miva servers, must meet the following criteria:

- ▶ The recipient of your e-mail must have made a purchase, requested information, responded to a questionnaire or a survey, or had offline contact with you.
- ▶ The e-mail "from address" is required to contain the domain name of your Miva store.
- ▶ No e-mail subject lines can contain misleading information.
- ▶ Any and all non-correspondence e-mails (i.e., outbound marketing and/or newsletter e-mails) must contain a working web link, which allows recipients to unsubscribe. Use of manually processed methods of unsubscribing, such as "mailto" links, is not acceptable for e-mails sent from our servers. These emails must also abide by all requirements of the "CAN-SPAM" act (U.S. Code, Title 15, Chapter 103).
- ▶ All requests to unsubscribe must be processed within 10 days.
- ▶ Any and all non-correspondence e-mails (i.e., outbound marketing and/or newsletter e-mails) must be sent using software that AUTOMATICALLY handles removal of recipient e-mail addresses that result in a delivery failure.

Miva actively monitors our mail servers for abuse. Any Customer found to be using Miva mail servers to send spam will be immediately cut-off from use of Miva services. Further, any use of mass e-mail programs in conjunction with Miva SMTP servers is strictly prohibited.

#### V. MIVA'S ADULT MATERIAL POLICY

Miva defines "adult material" as any of the following:

- ▶ Any photos or videos showing any sexually explicit nudity;
- ▶ Any audio clips or text containing sexually explicit material; or
- ▶ Any photos or videos showing frontal nudity on either men or women.

We also prohibit the following:

- ▶ Any websites with direct links to other websites containing such material.

Further, we reserve the right to determine what might be considered "sexually explicit" or "sexually related." If you are unsure if your Website contains such material, please let us know prior to placing the order.
